Trading Matters

Providing exceptional transactional and regulatory advice to leading market participants since 2002

TEIGLAND-HUNT LLP

Founded in 2002, Teigland-Hunt LLP is a boutique law firm based in New York and San Francisco. T-H serves as a trusted advisor to sophisticated market participants. By combining our in-depth product knowledge with an appreciation of how different clients deploy their capital, we are able to tailor our services to meet the needs of a wide range of clients.

OUR FIRM

Since 2002 we have been helping our clients establish and manage their counterparty relationships across asset classes, with a primary focus on OTC derivatives markets, cash markets (such as equities, fixed income and foreign exchange), futures markets and physical commodities markets. We also routinely advise on the complexities of the Dodd-Frank regulatory framework and various industry initiatives, including regulatory protocols.

OUR SERVICES

Trading is the heart of our practice, and we serve some of the world's most prominent market participants.

We support and stand by our clients at every step in the negotiation process to enhance their knowledge of their agreements, help them achieve superior terms and ensure their agreements comply with applicable law and regulation. We have years of experience negotiating the full range of agreements, which cover everything from high volume, exchange-traded products to complex, bespoke transactions. Plus, we have actively participated in many of the industry working groups that led to their publication.

OUR ATTORNEYS

Our attorneys offer expertise in the negotiation of documentation across a wide range of transactions. We regularly participate in industry efforts to develop and enhance standardized documentation across the financial markets. Our attorneys are therefore at the forefront of the latest industry developments and sensitive to the implications of emerging trends and market practice of our clients.

In addition, we regularly navigate our clients through the complexities of financial regulation. Achieving compliance in today's intricate and ever-changing global regulatory environment can be daunting, especially in light of Dodd-Frank and EMIR. Our attorneys offer unique expertise that our clients depend on. We counsel on regulatory matters regarding both domestic and cross-border derivatives and securities law.

To best serve our clients, we provide big firm expertise with the individual attention of a boutique firm.
